BRAINSTERNEXT

Informative website for BrainsterNext Faculty

The Challenge

The challenge of this project was to create a clear, responsive website for BrainsterNext Faculty to inform users in more detail about the opportunities that this faculty will offer.

Design Process

Research
1. Stakeholder Interview
2. Target Group
3. User Interviews
4. Competitor Analysis
5. Features

Design
1. Wireframes
2. UI Design
3. Prototype
